SPARC
Sustainable Project And
Research Challenge **3.0**

SPARC 3.0 - ROUND 1 SELECTIONS ARE OUT!

Thank you to every young innovator who shared their spark with us. Your ideas were **bold, brilliant, and full of imagination** – we were truly inspired.

For those who made it to Round 2

A huge congratulations!

This is just the beginning of your SPARC journey – keep pushing boundaries, experimenting fearlessly, and letting your ideas shine. The next stage awaits!

For those who didn't make the list this time

Remember this:

Innovation isn't a straight line.

Every idea you create is a step forward.

Every attempt moves you closer to something extraordinary.

Many of the world's greatest innovators failed before they succeeded – and your spark is no different. Keep building, keep imagining, and come back next year with even more brilliance. **We believe in you!**

Here are the innovators advancing to the next stage
